

JESUS and the People He Met

Use these questions to guide your preparation as you read the text(s) before each class:

- 1) What is the circumstance and disposition of mind of this person when Jesus encounters them?
- 2) From the dialogue Jesus has with them, what is he trying to accomplish?
- 3) What are they seeking from Jesus, if anything? Do they get it?
- 4) If so, does he give them anything else?
- 5) If not, what does Jesus give them?
- 6) How does Jesus uniquely treat them? (What he says or does that you do not see in other examples)
